Nicole & Will,  
David will be out until mid-week next week; he has very limited access.

Approvals needed this week: Alejandro will have a TA coming through on Wed or Thurs; Amanda pushed her TA this morning and hopefully it was routed through Will and approved (she's flying on Thursday).

Jackie Lane is acting on Thursday (8/13).

I can approve. Please ask people to give me a heads up. Also, I am out on travel afternoon of Aug 12 through the 13th.

Thanks  
Nicole

Will and Nicole,  
I've had a couple of CIs ask who will be approving our work (i.e., purchase requests, travel vouchers, etc) while David is out for another week. I saw my travel was approved by Nicole on Friday (thank you!), but just wanted to check-in for this week.

Hi Everyone,  
Secody and I have been deployed to Durango, CO to assist with the emergency response for the Gold King Mine release. I'll be on email if something comes up, but responses will be sporadic.

Likely out all or most of week.

Thanks,  
David
